

## **Parish Council Members**

**1<sup>st</sup> NOV 2007**

### **Derek Watson**

I was born in West London and have lived in the parish for over 20 years and have helped set up St James's Parish Council. I am serving as chairperson for the next 3 years and will also report on progress of our Justice and Peace group and our parish project in Moldova. I am a programme manager within ICT industry, married to Katherine and have 2 children at St James's school, Sean aged 8 and Ana aged 6.

### **Nat Olaiya**

This is my first year serving on the Parish Council in which I hope to bring some new ideas on how to deliver its portfolio and provide another 'pair of hands' when serving and learning from the more experienced council members. I have lived in the parish with my family, (Tracy and our son 3 year old son Henry) for five years and we enjoy being part of a flourishing church community.

### **Julie Haworth**

Full time working mum with two children, Tom, 15 who serves and Gems, 11 and husband Keith. We usually attend the 10:30am Mass.

I am involved with the parish; as a reader, help at the Children's liturgy and the Confirmation programme, take part in a small Prayer Group and am pleased to serve and support Father on the Parish Council.

### **Wendy Coppin**

I feel very privileged to be part of the Parish Council. I have coordinated the Christmas Market the last 3 years, a small compared with some in the council – my remit within the PC will be to co-ordinate the social events, 'look after' the younger members of the Parish and liaise with St James's and St Catherine's. You may have seen me with my 2 small girls in tow - Amy (3) and Briony (4) who is enjoying her reception year at St James's.

### **Sister Emmanuel**

I am a Sister of Mercy and I have lived in this Parish for 57 years. I support Fr Ulick and parishioners in my ministry to the housebound, sick, lonely and needy; people. I am in touch with many young parents while preparing them for the Baptism of their children. I also have contact with people joining our church at Easter through the RCIA programme. I reach out to interested parishioners through prayer and scripture reflection groups in my home.

### **Father Ulick Loring**

I was born in St Leonard's-on-Sea. My father was a charity executive, and both parents were converts. I grew up in London and attended a boarding school near Reading. I studied history and worked in the Civil Service. I joined the Archdiocese of Westminster in 1981 and was ordained in 1987. I worked in St John's Wood, the University of London, Hastings and Twickenham (since August 2002). I have studied counselling at Kingston College as well as transpersonal therapy at a centre in Ealing. I have visited Moldova 4 times since I came to Twickenham.

### **Lily Murphy**

I was born in Co Kildare, Ireland. I am married to Andy Murphy from Athy Co Kildare and then came to England. We have 3 children and five grandchildren. We were tenants in the Red Lion for quite a while. I count the collections at St James's with the help of Ann Milligan and I am also on the Finance committee.
